

IMPACTDAY: KASKANTINE

11.30-15.00

Project	De Kaskantine
Number of volunteers	10
Project leader	Paul Blakemore
Phone	+31 616 150 264
Address	Haarlemmerweg 506
Project description	A Community of nomad farmers, chefs, engineers and artists that have turned 6 shipping containers and two greenhouses into a growing, tasting and meeting space. It is a living experiment where they strive to create an autonomous space that is off the grid. The KasKantine is like a self-sustainable ship that can land anywhere with a surface of 10x30m ² , even on a floating structure.
Description voluntary activities	<ol style="list-style-type: none"> 1.Kitchen:Volunteers will help with food preparation for our busy pizza night the same evening. 2.Cafe. Volunteers will help with the front of house, from serving to making our famous homemade drinks. 3.Construction. Volunteers will help with our current construction needs of the time. 4.Maintenance. An off-grid restaurant and farm is not easy to maintain! Volunteers will help us keep our systems in order. 5.Gardening. Actually reverse gardening! In preparation for our move volunteers will help with taking down, our garden and preparing for the next growing season.

IMPACTDAY: I CAN CHANGE THE WORLD WITH MY OWN TWO HANDS 11.30-15.00

Project	I can change the world with my own two hands
Number of volunteers	8
Project leader	Natascha Hagenbeek
Phone	+31 644 504 974
Address	Jasper Leijnsenstraat 21
Project description	I Can Change the World With my Two Hands is an urban farm in Amsterdam West. On a depleted piece of land (1200m2) a garden was realized with individual parcels for residents and a central garden where local food is produced. The garden also has a store that runs workshops and sells local produce and compost. Together the store and the garden form a lab that visualises possibilities towards creating a more sustainable and circular city with the help of citizen engagement.
Description voluntary activities	Gardening, building a new compostheap.
